ROBUST INVESTMENTS AND POLICY SUPPORT

MAJOR PROJECTS TRANSFORMING TAMIL NADU

A. Economic Corridors:

- Chennai - Bengaluru Industrial Corridor (CBIC)
- Chennai - Kanyakumari Industrial Corridor (CKIC)

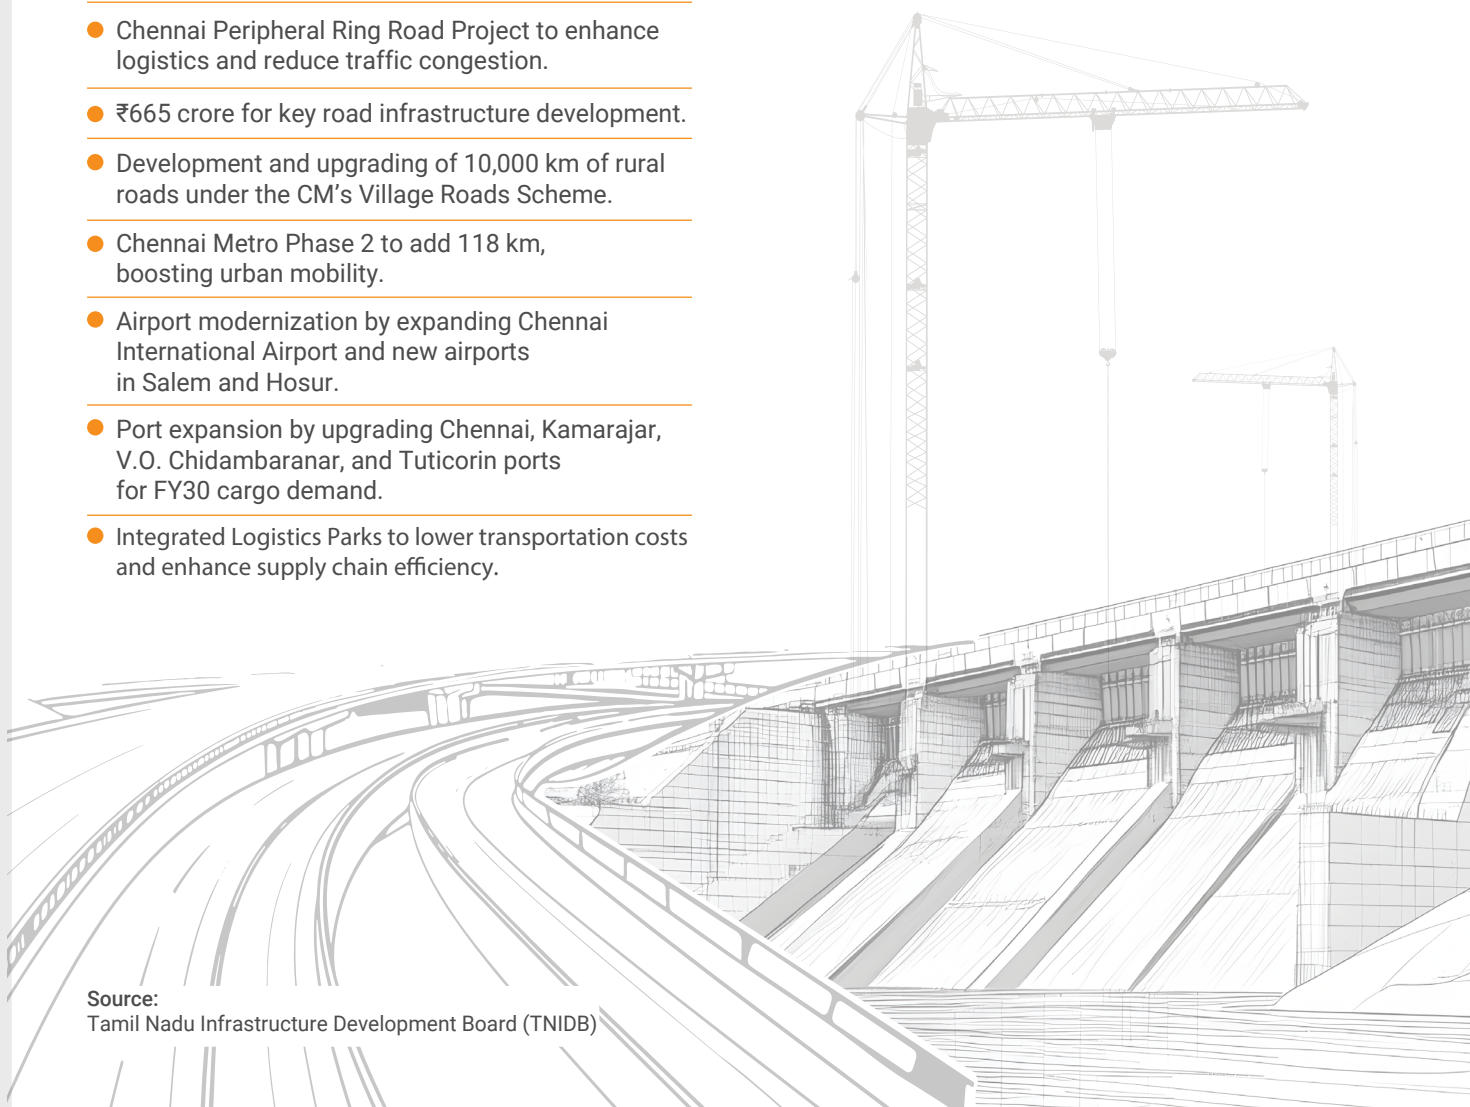

C. Mining:

- Tamil Nadu has multiple mineral resources which have seen revenue from mineral resources increase from ₹983 crore during 2020-21 to ₹1,836 crore in 2023-24

B. Urban and Transport Infrastructure:

- Comprehensive Road Infrastructure Development Programme (CRIDP).
- Chennai Peripheral Ring Road Project to enhance logistics and reduce traffic congestion.
- ₹665 crore for key road infrastructure development.
- Development and upgrading of 10,000 km of rural roads under the CM's Village Roads Scheme.
- Chennai Metro Phase 2 to add 118 km, boosting urban mobility.
- Airport modernization by expanding Chennai International Airport and new airports in Salem and Hosur.
- Port expansion by upgrading Chennai, Kamarajar, V.O. Chidambaranar, and Tuticorin ports for FY30 cargo demand.
- Integrated Logistics Parks to lower transportation costs and enhance supply chain efficiency.

Conex South 2025

FUELLING TAMIL NADU'S INFRASTRUCTURE BOOM

Messe München India and Tamil Nadu Highways Contractors Federation MoU: Joining Hands for a Stronger Construction Industry

Messe München India (MMI) and the Tamil Nadu Highways Contractors Federation (TNHCF) have officially announced the launch of CONEX South, the first-ever South India edition of the renowned construction industry trade fair to take place in Chennai. This initiative aims to connect construction equipment suppliers with end-users, including contractors and developers, fostering industry growth through collaboration and technology showcases.

LEADERSHIP REMARKS

- **Mr. M. Thirusangu, President, Tamil Nadu Highways Contractors Federation (TNHCF):**

"This milestone event will not only showcase cutting-edge technologies but also serve as a dynamic platform for forging strategic partnerships and unlocking new business opportunities, driving our industry to new heights."

- **Mr. Bhupinder Singh, President IMEA (India, Middle East, Africa), Messe München CEO, Messe Muenchen India:**

"CONEX South will unlock South India's vast infrastructure potential by uniting the entire construction ecosystem on a single platform. Our goal is to drive transformative growth, spark innovation and open doors to new business opportunities, shaping the future of the South Indian infrastructure industry together."

About Tamil Nadu Highways Contractors Federation:

Founded in 1999 by contractors registered under the Tamil Nadu Highways Department, the Tamil Nadu Highways Contractors Federation has over 5,000 members dedicated to advancing the highway sector. The Federation addresses both operational and policy-level challenges, supports members through technical seminars and expos, introduces cutting-edge machinery, and publishes a monthly magazine on industry developments. By collaborating closely with the Tamil Nadu Highways Department, it ensures contractors' interests are represented and projects are executed effectively. Current office-bearers are **Shri M Thirusangu**, State President; **Shri G Muthu Govinthan**, State Vice President and **Shri M. Ayyappan**, Organization Secretary. Secretaries : **Shri. V. Vengadesan** and **Shri. M. Murugesan**, Deputy Secretary : **Shri. T. N. Sivakumar**, Treasurer : **Shri. R . Nimrode**

About Messe Muenchen India:

Messe München India is the driving force behind bauma CONEXPO INDIA, North India's largest construction and infrastructure trade fair. With a proven track record of creating industry-leading platforms, MMI is now venturing into South India by launching CONEX South in Chennai through a strategic partnership with Tamil Nadu Highways Contractors Federation (TNHCF). This expansion signifies MMI's commitment to fostering growth and innovation in India's dynamic construction industry.

THE CONEX SOUTH ADVANTAGE:

Regional Focus with Global Reach:

Experience a specialized trade fair designed to cater to the growing demands of the southern region of India, one of the fastest-developing hubs for construction and mining industries.

Unleash Business Growth:

Generate high-quality leads that translate into impactful business partnerships and increased sales. Create meaningful alliances that fuel growth.

Innovation Showcase:

Demonstrate cutting-edge solutions to construction challenges in a vibrant, solution-driven environment. Position your brand as a problem solver and an innovator.

Knowledge Hub:

Participate in conferences and experiential workshops led by industry experts, and policymakers. Stay ahead of trends and gain insights that drive success.

Networking Powerhouse:

Engage directly with policymakers, innovators and thought leaders shaping the future of the construction and mining industries in India to expand your network and explore new opportunities.

WHO CAN PARTICIPATE

Exhibition Sectors:

All around construction sites

- Construction vehicles
- Earth - moving machines
- Road construction and maintenance equipment
- Pipe & cable laying equipment & tools
- Lifting appliances and conveyors
- Construction equipment, tools and special systems
- Handling and processing concrete and mortar at construction sites
- Formwork and scaffoldings
- Site installations

Mining, extraction and processing of raw materials

- Machines for extraction of raw materials and for mining
- Handling of raw materials
- Mineral processing (incl. coke oven equipment)

Production of building materials

- Manufacturer of cement, lime and gypsum compounds for building materials
- Machines and systems for producing concrete, concrete products and pre-fabricated components
- Machines and plants for producing asphalt
- Machines and plants for producing pre-mixed dry mortar, plaster, screed and building supply store products
- Machines and plants for producing lime sandstone and building products using power plant residue (fly ash, slag)
- Building material handling and packaging plant

Component and service suppliers

- Transmission engineering, fluid technology and power generation units
- Accessories and wear parts
- Services
- Test, measurement and process control engineering
- Communication and navigation
- Job safety

Industry Profile

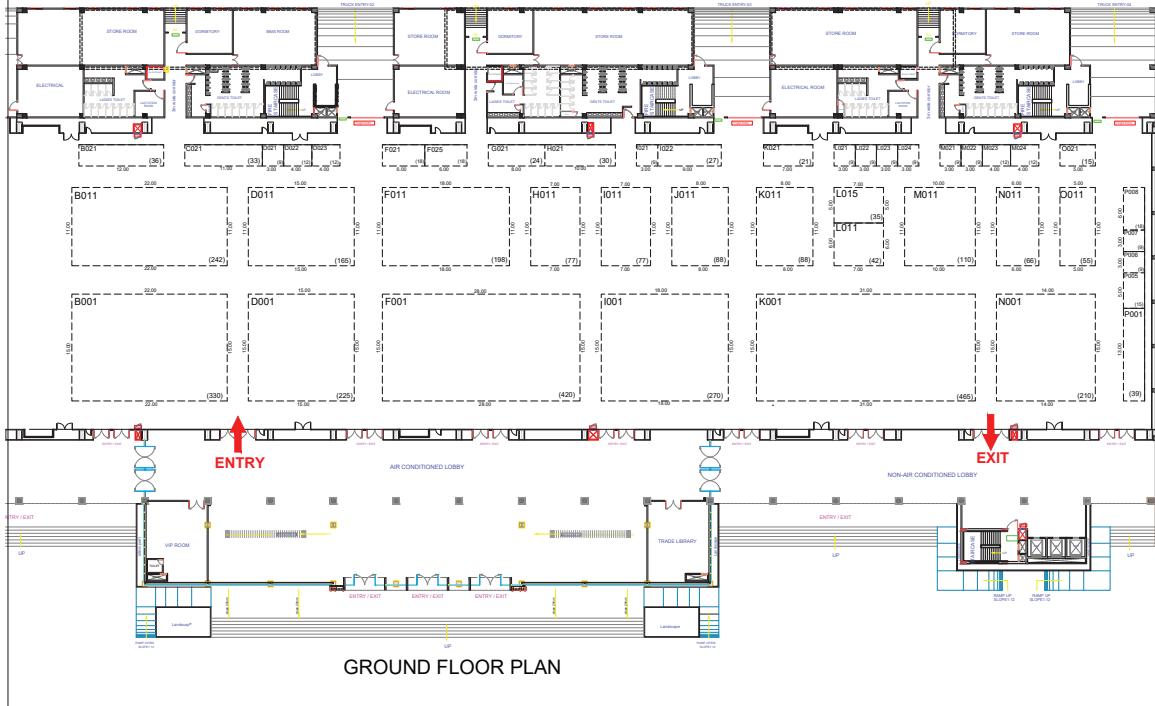

- Contractors
- Developers
- Investors
- Builders
- Government / Ministers / Public Sector Undertakings
- Mining Companies
- Financial Leasing Companies
- Manufacturers
- Rental Companies
- Distributors
- Retailers Associations
- Port Companies
- Oil Refineries
- Power Plants
- Architects
- Engineering Consultants
- Spares and Component Manufacturers

Visitor Profile

- Management: CMD, CEO, COO, proprietor, owner etc.
- Operators: Construction equipment, fleet, cranes
- Construction equipment owners
- Construction machinery manufacturers
- Component manufacturers
- Construction machinery and service providers

PARTICIPATION COST

TYPE	SHELL	BARE
Early Bird	INR 9,000	INR 8,000
Regular	INR 11,000	INR 10,000

Early Bird Price Deadline – 15th May 2025

- 18% GST extra applicable on all rates mentioned
- Shell Scheme includes pre-fabricated stall with fascia name, carpet, electricity, dustbin

Dates & opening hours:

August 28 - 30, 2025
10:00 am - 06:00 pm
